

# MONKEY SEE, MONKEY DRAW

## STAMPEDE SKETCH: The Animal Drawing Game

### INSTRUCTIONS

**Ages:** 5+

**Players:** 2-4 Players or Teams

**Contents:** 1 Game Board, 50 Cards, 1 Pad of Paper, 4 Art Monkey Movers

**Set up:** Open the game board and place in the middle of the play area. Each player chooses a monkey and places it at the 'X' start space. Shuffle the cards and place them in the center of the board within easy reach of all players.

**How to Play:** On their turn, players draw a card. The player who drew the card must act out or draw the image on the card in order to help the other players guess which animal from the board he/she has chosen. The only exception is that players **CANNOT** use sounds! If players do not know the name of the animal on the card, the guessing player can point to the animal on the game board.

Note the number on the card. Whoever correctly identifies the animal moves ahead the number of spaces indicated on the card. The player who acted/drew the animal also moves the same number of spaces. The used card is then placed off to the side of the board in a discard pile out of play. If no one correctly guesses the animal, the card is placed at the bottom of the deck. The player who drew the card must act like a monkey, which all other players must copy. Then, play proceeds to the next person.

Play continues in this fashion until someone reaches the 'X' where the game began.
